Call for Expressions of Interest in Faculty Positions in the Social Science Area at the Gran Sasso Science Institute

The Social Science Area at the Gran Sasso Science Institute (GSSI) invites expressions of interest for faculty positions at the Assistant Professor level (Tenure Track) from highly qualified scholars worldwide in the field of Regional Science or Economic Geography.

The Social Science Area at the GSSI is a vibrant, international and multidisciplinary environment. We currently have 11 Faculty members, 11 Postdocs and 30 PhD students. Our research focuses on Regional Science and Economic Geography covering a wide range of topics including (but not limited to) the resilience of inner areas, migration, innovation, disasters, culture and tourism. We have a large national and international network both with other Universities and International Organizations. Our teaching committee includes some of the biggest names in the field. As we are currently planning to expand our group, the present call for expressions of interest aims at identifying bright and motivated scholars who might want to join the GSSI faculty.

Candidates willing to work in the exciting GSSI atmosphere, as tenure track Assistant Professors, are required to have a doctoral degree in applied economics, economic geography or related fields prior to the appointment, with a proven record of achievements, a clear potential to promote and lead research activities, a specific interest in teaching at postgraduate level and supervising doctoral students.

A curriculum vitae, list of publications, and a brief research statement should be sent by email rseg@gssi.it together with a short motivation letter in which the candidate discusses the reasons for his/her interest in joining the GSSI team. The candidates should also arrange for two recommendation letters to be sent directly to the GSSI rseg@gssi.it, to support their application. The expressions of interest should be sent at your earliest convenience and in any case no later than September 30th, 2020.

GSSI is committed to gender balance, inclusion and diversity. All expressions of interest will be given proper consideration, independent of ethnicity, religion, age, gender, sexual orientation, or disability.
